Looking closely, recognising colour trends, finding and implementing actual themes – with a good sense of the pulse of the time we have again composed an attractive product assortment for you, which meets your customers’ diverse demands.

Our promise: top trendy! With the latest colours sand gray and stone gray we capture the spirit of the time. These shades appear modern and elegant in the kitchen.

Still we are particularly keen to implement the proven KORONA quality into a clear design. In doing so, the functionality and the reliability of the products have priority, as well as security, energy efficiency and a fair price-performance ratio.

Please let our new KORONA catalogue enthuse you with innovative trends, fresh designs and functional ideas. The new Wafflecup-Maker for example makes mini-artwork out of savoury or sweet dough in next to no time. The new kitchen- and bathroom scales without batteries offer maximum efficiency with minimal environmental pollution. In addition to these innovations the familiar, top-selling products complete the KORONA product assortment.

Set accents together with us in your assortment. We are looking forward to a trustful cooperation.

Kind regards
Your KORONA team
